

... ONE AFTERNOON DOWN AT THE HAZARD ROCKS...

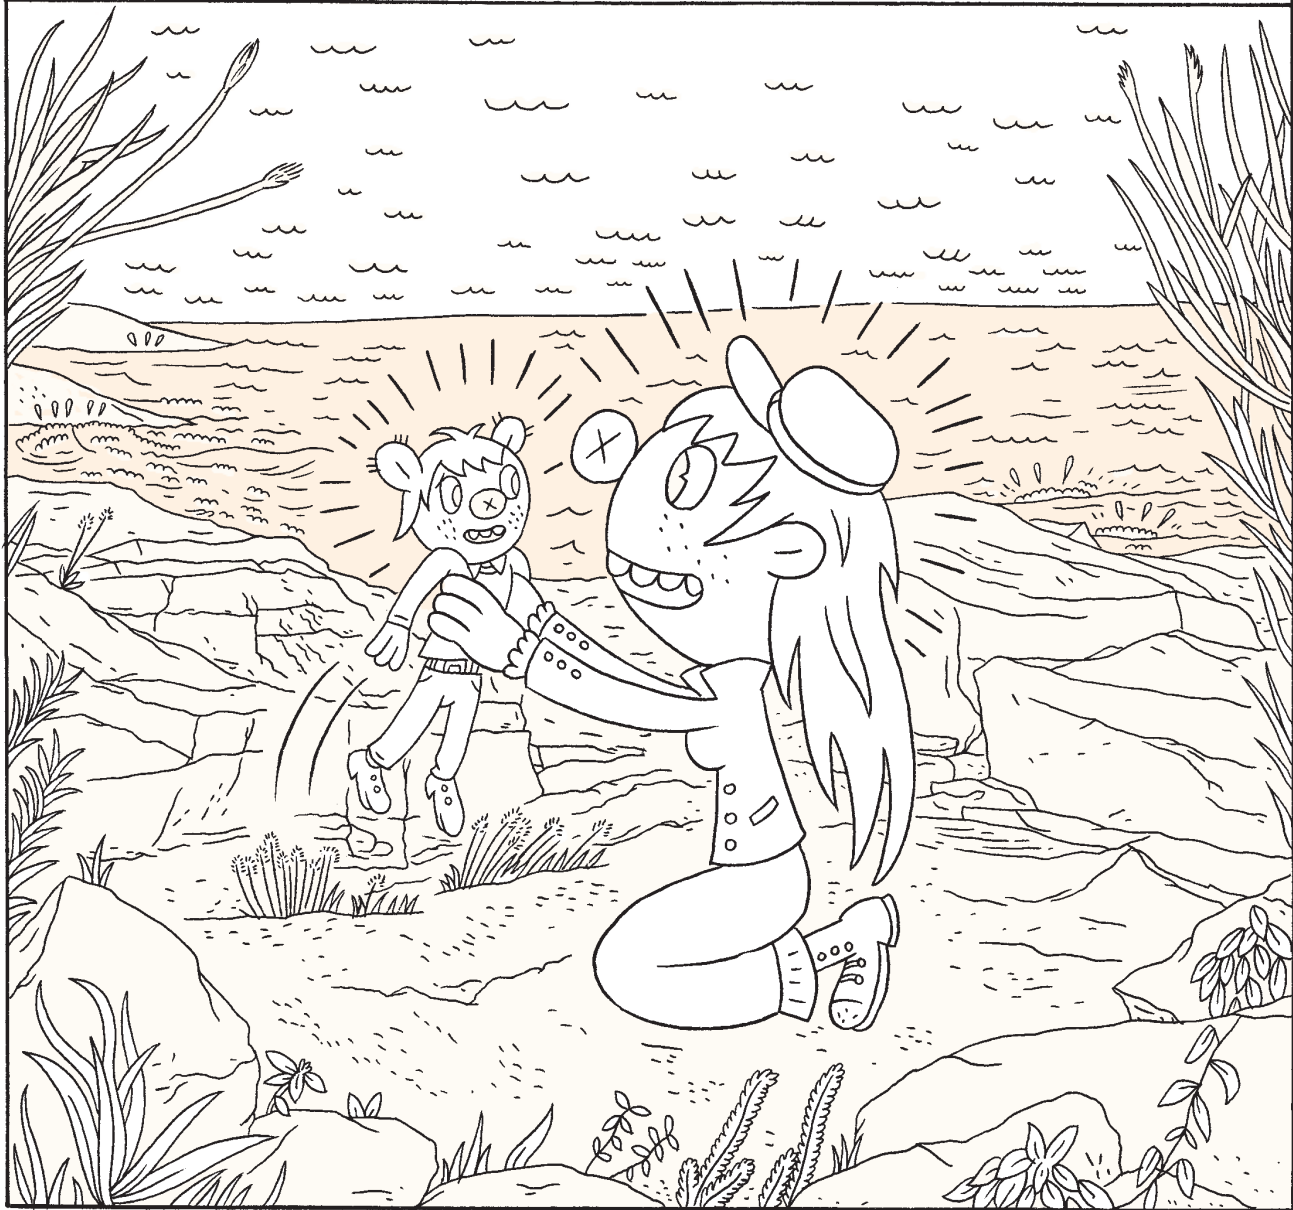

You be the stranger, and I'll be the mouse, and we'll
live together, inside of a house.

And we'll gather firewood, and we'll meet for tea, 11 1/2
& and we'll laugh for hours, beside of the sea :-

or you be the mouse, and I'll be the stranger. And I'll
Love you kindly, and keep you from danger.

And I'll make you muffins, and I'll make you cake~
just "mould-sized" for your small hands to take.
